## *Legacy Builders Launch Creating Waves of Impact!*

rhema.cc

In February we launched our new monthly giving program: **Legacy Builders**.

This takes the place of our old Extra Mile Partners program, and represents a deliberate shift in focus away from the **gift** itself to the actual **impact** of your gift.

After all, I'm sure that's why you give in the first place. Because of the impact of your gifts. And that impact is the building of a legacy through Rhema Central Coast for future generations.

It also represents a strategic shift we're making away from a heavy dependence on big appeals twice a year to a more sustainable and reliable monthly income base.

The initial response has been very encouraging, with many new Legacy Builders coming on board, and a number of existing EMPs increasing their monthly pledge as they have transitioned across to the new program. Thank you to all who have responded so far!

So while we still see the need for major appeals, we aim to be less reliant on them in the future as we build the Legacy Builder program. It's still early days, but the signs are encouraging.

If you'd like to become a Legacy Builder, and be part of creating waves of impact across the Coast now and into the future, it's easy! Just jump onto our website and click on the Legacy Builder banner, or call the office and we'll help you make it happen!

## *Out & About*

We've been getting out into our community again, supporting local organisations and serving the Coast however we can. We love being out amongst Coasties, so if you've got something happening let us know!

Recent highlights have been the Love Lanes Festival in Wyong, and the Open Day at St Phillips Christian College's Young Parents College. What a brilliant organisation that is, impacting young lives!

# MEET THE TEAM!

We're continuing to introduce you to the team that makes Rhema.CC tick! In this issue we catch up with one of our fabulous receptionists, **Kim Greenwood!**

**1. Favourite food:** Chocolate of course!

**2. Why Rhema CC?:** Since the airwaves of the Central Coast is such a powerful tool to tell people about Jesus and the good news and helping people with their walk with Jesus.

**3. Highlights of your time with Rhema:** I really enjoyed celebrating the 20th Anniversary and making the YouTube thumbnails using Canva.

**4. Hopes for the future with Rhema:** That under Gods guidance Rhema will continue to grow, diversify and be a blessing to the people of the Central Coast.

**5. Favourite movie or game:** An oldie but a goodie—The Sims

## *Rhema Central Workspaces*

Working from home, and need some respite? Need a place to focus on a task or hold a meeting without the distractions of home? Need somewhere quiet to take part in a Zoom call, or record some audio or video content?

Within our home, Rhema Central, we've got some spaces that we're looking to lease out to people looking for a great place to work from.

The spaces available include hot-desks, a private office, a meeting room, and an audio/video edit suite.

All spaces have internet access, and you are free to use our kitchen and hospitality area and bathrooms, including an accessible bathroom.

To find out more or to arrange a time to come in for a look, email us at [mail@rhema.cc](mailto:mail@rhema.cc).
