The Voice of Truth!

Keeping God's Word alive on the Coast!

You guys yet again showed your faithfulness and openness to God's leading! Thank you!

We hit the \$80,000 target for our November Appeal, even if it was just a few days into December. We are so grateful, and are looking forward to an exciting 2026.

2025 has been hard, and there are still challenges ahead, but we are so encouraged by the messages of encouragement that we receive from you every time we reach out for your support. Even a simple note like this one on a recent donation means so much to us:

"Thank you. This station is essential to the Central Coast."

A BEAUTIFUL NIGHT OF FUN,
CAROLS AND CELEBRATION
FOR THE WHOLE FAMILY

CAROLS IN THE STADIUM

SAT 20TH DEC
5.30PM GOSFORD
polytec stadium

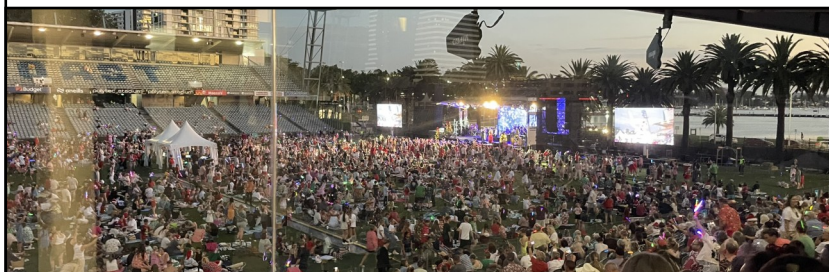

Oh what a night!

Polytec Stadium came alive with the sounds of Christmas, as Jesus was kept front and centre of the inaugural Carols in the Stadium, hosted by the combined churches of the Central Coast.

It was a sell-out of 16,500 tickets, and the place was pumping!

The weather was good, and the atmosphere was beautiful. Stunning performances by Bella Taylor-Smith, Hannah Hobbs, Jayne Denham, Luke Taylor and so many more, including choirs and dance troops from local schools and churches, left the whole crowd cheering, dancing and generally having a great time.

The beautifully portrayed nativity story had everyone enthralled with the true significance of Christmas.

And it was all topped off with fireworks!

If you missed it, or want to relive it, we've posted the audio of the whole event on our Replay page at www.rhema.cc.

We can't wait for 19 December 2026!

Create Waves of Impact!

Legacy Builders is our monthly giving program for those with a heart to see Rhema Central Coast thrive in the present, and create waves of impact into future generations!

The number of these faithful supporters has grown through 2025. Since we relaunched the old Extra Mile Partner Program as Legacy Builders in February, the monthly commitment has grown from about \$2,500 to almost \$7,000. That has been a big help, but we long to see it continue to grow right through 2026. The goal by the end of the year is for it to be approaching \$15,000/month .

This will take a lot of pressure off our major appeals by ensuring we have a solid monthly income stream. That way we can focus even more on the mission, and less on the money!

Of course we're still working on growing other income streams, like rebuilding our sponsorship after recent declines due to the struggles of small businesses, and creative ways to generate income from the Rhema Central facility.

Visit our website and click on the Legacy Builder link to become one of our vital mission partners today! It would mean so much to us now, and help us lay a solid foundation for the generations to come!
